**ARE YOU A TRAINED
INDIVIDUAL?**

“Trained Individual” means an individual who is trained and experienced in the principles of stormwater management, including erosion and sediment control as is demonstrated by completion of coursework, state registration, professional certification, or annual training that enable the individual to make judgments regarding stormwater management, treatment, and monitoring.
(Appendix B - Definitions)

**A 2022 CERTIFICATE
OF COMPLETED
TRAINING** will be
emailed to those that
attend the entire session.

*This training will focus on
the changes made in the
