Thank You to our Sponsors

The Indiana MS4 Partnership is a 501(c)(3) organization. We would not be where we are today without the generous support we receive from our sponsors. Because of your financial support, we are able to provide a variety of educational materials and training events for Indiana's MS4 communities, elected officials, educators, inspectors, engineers, designers and contractors to help them become more effective at protecting Indiana's rivers, lakes, and streams. Thank you so much for your help.
