Indianapolis, IN 46240

Dear Mr. Brand,

The Indiana MS4 Partnership Board is grateful for your continued support of Indiana stormwater education and outreach efforts for the past fifteen (15) years.

The Board has voted to establish a yearly award to recognize Annual Meeting Sponsors and Corporate Program Sponsors. This recognition will be called the **Michael A. Mang Award for Corporate Commitment**.

Michael Mang was an interictal part of the Annual Meeting's development and worked with Reggie Korthals from the first meeting in 2008 until the 2021 event.

Michael was a supportive participant at every meeting with his smile and laughter and "always there to help" attitude. His commitment has always been appreciated, admired, and loved.

This year there will be four **Michael A. Mang Award for Corporate Commitment** presented at the Annual Meeting on May 10, 2022, at the Marriott East Hotel in Indianapolis, awards will go to:

- Butler Fairman & Seufert, Corporate Program Support
- Wessler Engineering, Corporate Program Support
- Brown Equipment
- Best Equipment

The Indiana MS4 Partnership Board respectfully requests your presence at the luncheon to present these awards.

Please contact me at your earliest convenience .

Best regards,

John Heiliger, CESSWI
